

DEPARTS FROM THUNDER BAY

MIMINISKA LODGE

Miminiska Lodge offers the ultimate in Canadian hospitality. A full service lodge, Miminiska is the ideal fishing vacation setting for those who enjoy a larger body of water to fish and the camaraderie of other guests. Combine wilderness and luxury! Allow our staff to take care of the details and see to your comfort – including superb dining, dock service, and daily housekeeping. Located some 235 miles north of Thunder Bay, Ontario, Miminiska Lodge is built on a section of the famous Albany River where it widens to form Miminiska Lake.

Anglers who initially explored this area had to rough it, but today's guests can combine a true fishing adventure with modern comforts and amenities. The Albany watershed has long been famous among anglers due to its dozens of fast moving rivers and miles of lakes – all with quality northern and walleye fishing along with a world renowned brook trout fishery. With access to both lake and river fishing, the possibilities are endless!
